FOR AGENTS AND BROKERS

Using download saves almost

60 minutes

per employee, per day¹

Benefits of Download:

- Save time and money
- Increase data accuracy
- Reduce E&O exposure
- Spend more time on service and sales

Time is an increasingly scarce resource you don't want to waste, and Liberty Mutual Insurance gets it. We want you to spend your time expanding your business. That's why we offer download for your agency management system. Download eliminates the need to re-enter policy information in your agency management system, saving time and reducing errors.

What is download?

Download enables the electronic transmission of insurance transactions in ACORD®-compliant formats from Liberty Mutual to your agency management system. It reduces errors and omissions by synchronizing our information with your agency management system.
