

Motor Vehicle Dealer Bonds

Flexible business solutions for license and permit obligations

Motor vehicle dealer bonds protect the public from losses incurred by fraudulent practices, violations, or misrepresentations of an auto dealer or its sales force. Regulations vary by state, but these bonds may also guarantee good title to the vehicle, fraudulent turning back of odometers, remittance of sales tax to states, warranties, etc. Bond amounts vary by state and type of dealer (new or used), and are tied to the dealer's annual volume of sales. Bond amounts typically range from \$5,000 to \$100,000.

Liberty Mutual Surety has extensive knowledge of, and experience with, underwriting surety obligations for the many classes of license and permit bonds, including motor vehicle dealer bonds. We work closely with independent agents and brokers to meet their customers' business needs.
