

Get Contractor's Equipment Quotes Faster with eCLIQ[®]

As a Liberty Mutual agent, you have access to quote Contractor's Equipment policies using our online quoting platform, eCLIQ. Check out the benefits of going online:

- Get your quote faster, right from the comfort of your own office, with no need to send a paper application to your underwriter
- If your submission doesn't require an underwriter review, you can bind it immediately
- For policies under \$5,000 that require an underwriter review, you will hear back within two hours

Below are resources for you and your clients on the Contractor's Program

On-demand Videos
